Her daughter Ellen, has been appointed to a very honorable position in one of the high schools in that community, and is succeeding very well in her work.

The Rev. E. W. Simmons, of Jacksonville, preached a very good sermon at Bethlehem Baptist church last Sunday, and at Bethel church Sunday evening.

Miss Binkley Hall, the youngest daughter of our friend Jackson Hall, who was reported ill in these columns last week, died last Wednesday and the last sad rites were paid to her remains by the Rev. The bereaved family has the sympathy of their many friends in this city.

The little girl of John Robinson died last week and was buried Tuesday, the Rev. Wm. Morgan officiating.

Little Francis Robinson had the misfortune of having the ice wagon to run over one of his feet last Saturday, and the injury necessitated the amputation of his toes. It is hoped that he may soon recover and be able to fill his place in the school-room, where he rightly belongs.

Mrs. Elvira Robinson is confined to her bed this week with malarial fever. Friends hope to see her up soon.

Dr. D. A. Perrin will hold his third quarterly conference at Bethel church next Sunday, and all parties concerned are asked to take due notice, and govern themselves accordingly.

The Rev. L. B. Bacon was hastily called to his charge at Ft. Reed last Saturday, but failed to get off until Sunday. When he arrived, he found that he had been summoned there to marry a couple, but before he arrived the intended bride, had "skipped," and he found the disappointed groom on the depot platform weeping over his lost mate. He paid Bacon fifty cents for his trouble.

Next Friday will be visitors day at the public school, and the good professor and faculty kindly ask that all the patrons and friends visit them.

Mrs. Heyvingston and her friend, of Seville, are in the city this week on business; they are at the home of Mr. L. B. Bacon.

Just In Time.

A German shoemaker left the gas turned on in his shop one night, and upon arriving in the morning struck a match to light it. There was a terrific explosion and the shoemaker was blown out through the door almost to the middle of the street.

A passerby rushed to his assistance, and after helping him to arise inquired if he was injured.

The little German gazed in at his place of business, which was now burning quite briskly, and said:

"No, I ain't hurt. But I got out shust in time. Eh?"—Lippincott's.

"I'm taking dictation from a novelist just now," said the blonde steno-grapher at the lunch counter.

"Is he a rapid composer?"

"Now, I could take his dictation with one hand and write a better novel with the other."—Pittsburg Post.

The commissioners of Dade county have called a wet and dry election to be held in that county on November 6. A margin of only five names remained on the petition necessary to the calling of the election after the petition had been carefully gone over. The contest promises to be very close.

The Cigarette Law.

In a DeSoto or Lee county town, the other day, just to test the observance of the law, a gentleman sent his 3-year-old son into a tobacco store to buy cigarettes. The kid was sold a package of cigarettes. The law on tobacco and cigarette traffic is very plain. Chapter 5149, Acts of 1903, Section 1 says:

"It shall be unlawful to sell, barter, exchange, or give to any person under eighteen years of age any cigarettes or cigarette tobacco or cigarette paper or any substance for either of them, and any person who violates any of the provisions of this section shall be fined not exceeding fifty dollars or imprisoned, not exceeding thirty days."

This law is very generally violated, and is going to cause some trouble if the dealers are not more careful.

Chamberlain's Cough Remedy has become famous for its cures of coughs, colds, croup and influenza. Try it when in need. It contains no harmful substance and always gives prompt relief. Sold by all druggists

A Cruel Joke.

Miss Daisy Dimple found a love letter that her father had written to her mother in the halcyon days of their courtship.

Daisy read the letter to her mother, says Judge, substituting her own name and that of her sweetheart.

Daisy's mother raved with anger and stamped her foot in disgust and forbade her daughter to have anything to do with a man who would write "such nonsensical stuff to a girl."

Daisy then gave the letter to her mother to read.

The house became so suddenly quiet that she could hear the flies walking across the ceiling.
